Having fun is what I'm all about.

I love to play tennis, go swimming, play poker, or just a board game in front of a roaring fire. I also love to play sex games. Tie me up, pour chocolate syrup on me, I'll whip cream your cock and lick it off. Are you game?

I have these pink (my favorite color, if you can't tell) furry handcuffs that I like to use on my sex partners. I'll cuff him to the bed and start by kissing him all over. Then it's cock time and I'll suck him until he cums. No one can resist my tongue. Can you?

Some thoughts on saving humanity

Rita

Left to her own devices, Lisa would rule the world and put women in charge of everything. There would be food for everyone and no more wars on earth. "If there is conflict, I would have the lady presidents of the warring countries on a huge bed with vibrators and whoever came first would be the winner." A truly elegant solution, Rita. We think that's called thinking out of the box!

kapri & hypnotiq

THIS IS WHAT HAPPENS WHEN FRIENDS BECOME LOVERS

"We just met a few months ago and really hit it off," says long and lean Kapri Styles. "She's a really nice girl and I just love her." says sexy and sassy Hypnotiq. When we asked them to do a photo shoot together, they jumped at the chance. When they came to the studio, they were giddy but got down to it when the cameras started rolling.

When they got on set, they got into it right away. Kissing and folding each other's breasts, licking and kissing all over the other's body. It was hard to get them to stop when the photographer yelled cut. As the session progressed, we found that they also liked each other's butts.

After some preliminary licking of the sphincter, Hypnotiq enters Kapri's butt hole with her finger.

Kapri obliges with an index of her own after a long slow slathering of gel to prime the hole.

A full-page photograph of a woman with long, dark, wavy hair, wearing a white bikini bottom and clear high-heeled sandals. She is leaning over a white wooden bench with a wooden top rail, looking back over her shoulder at the camera. The background shows a window with vertical blinds and a white radiator.

ashley licks

Twenty-six year old Ashley hails from New York and like most from there she has an attitude.

An attitude about sex.

"I want my guys to do what I want them to do. When I want to cum, dammit, I'm going to cum."

“And when I want them to cum, they will cum because I know what to do. If for some reason they don’t, they get torn out of my little black book. I don’t care if they have a big cock, give me great head, can fuck all night, or can fuck me standing on their head, if they don’t cum when I say, they’re history.”

Mae and Lucy

Lusty ladies love
sexing each other

We love rainy days. When there is nothing to do, nothing good at the movies or on the telly, Mae and Lucy get together for some girl time. Dressing in their finest undies for each other and bringing an assortment of toys, they spend the day together, sexing for hours on end.

It all starts with some soft fondling and kissing. Much attention is paid to the breasts with each taking as long a turn as the other allows. Next comes the pussy licking with hot probing tongues and willing wet holes to accommodate them. Only then does the passion boil.

Mae is the ultimate pussy licker. She says she's been a lesbian her entire life and cannot remember the last dick she sucked. Lucy has had her share of men but ultimately prefers the taste of pussy juice to cum. Either way, these two like what each other has and enjoys it, too.

They readily admit that toys are a big part of their sexing. Each comes with an assortment of amped up vibes and big dildos ever-ready to please the other. Especially handy are the colored dildos with their soft-yet-hard rubber shafts that never wilt under pressure to perform.

Want to party with these two ladies. They'll tell you

Gretta gets me wet

Dear 50+,

I picked up the last issue of 50+ at the newsstand and was not disappointed. Especially the photo shoot with that cutie – Gretta. I find a soaking wet woman in the shower the biggest turn on in the world. The sight of soap and water running down her body is really neat and very exciting.

They say some of your earliest memories are the one's that stick with you. When I was in my eighteenth summer, I was a camp counselor at a summer camp in the Adirondacks. The staff was a rowdy bunch and we had a 50 year old lady ranger as the head of it. She was stern but a lot of fun and knew how to handle the camp. There were a couple outdoor showers on the site for the staff and one early morning I was doing my chores when I saw her heading for the shower in her robe carrying her toiletries.

We passed each other on the path and I said good morning as I pretended to head back to the lodge. I turned around after she got into the shower and climbed a tree that I knew had a good view of the inside of the shower. I watched as she lathered up, starting with her nice breasts and working her way down. The water poured on from the top and down her naked body. I was hard sitting in the tree and looking around to be sure no one could see me, I pulled out my cock and started rubbing it as she washed. I could see all the way down to her knees from my vantage point and I watched as she lathered up her private parts and then rinsed them off. I finally finished jerking off just as she turned the water off

and grabbed her towel off the door. I let my splooge fall to the ground and I zipped up and descended from my secret perch.

Ever since that morning at the summer camp, I have been attracted to not only wet and soapy women, but older women as well. That's why your pictorial of Gretta was so hot to me. Let's have some more!!!

– Freddy G., Albany

Cutie Gretta is one soaking wet and sexy lady on the cover of 50+ #30. The readers checked out her sizzling shower scene and told us they got a bit wet themselves.

Flower power revisited

Dear 50+,

Last year my wife and I were vacationing in Palm Beach, Florida. I'm a retiree and she is in her mid-fifties. We were out to dinner with some snow bird

friends and after a couple bottles of champagne we were all feeling a little tipsy and a little friendly. Kate and Al were old friends of ours in Boston and moved to Florida a few years ago to escape the cold. We have visited them a couple times and have always had fun. But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Al suggests we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple hands and my wife Shelly won both of them. Then Kate suggests we play strip poker. Shelly and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands she felt confident.

I knew Al had eyes for Shelly, and I kinda had a hard-on for years for Kate, so I was all for it. We were all products of the "Free Love" hippie culture of the sixties, but had settled down into our comfy lives. Now with little to hold us back, so of that old excitement was returning. Kate dealt the first hand and Shelly won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had a T-shirt and boxers, Shelly was in her bra and panties, Al was just in boxers and Kate was in a red teddy.

It was now my deal. We were drinking and laughing as the bets were made. Al won and I dropped my shirt, Shelly her top, and Kate stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Shelly got up and started to help her. She reached down between Kate's legs and undid the snaps. The

pulled the teddy up and off of Kate. Throwing it over to me, I caught it and twirled it around, egging the girls on. As Al and I looked on, they started kissing each other and Kate reached around and undid Shelly's bra and then pulled down her panties, throwing them to Al. She then gently pushed Shelly onto the table and grabbed her knees to spread them. She lowers her head into Shelly crotch and begins to lick her. Al three of us watch as Kate licks and sticks her fingers inside my wife's wet pussy.

By now Al and I were real horn dogs I get up first and position myself behind Kate. I drop my drawers and slip my cock inside her as she continues to lick Shelly. Al saunters over beside Shelly and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Al and I grab a couple of the wine glasses from the table and toast each other. Kate the stands up and pulls me out. She seats herself next to Shelly on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. He takes advantage of the change and moves around to drop between Shelly's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Al says he doesn't feel so good. We all ask if he's okay; he says yes and sits down. Shelly tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-dom. Her mouth works hard on his cock and he's finally hard again. I'm still fucking Kate and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Al seems to have made a miraculous recovery and Shelly brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum so Shelly and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We quickly gather our stuff and drive the mile back to the room, jump into bed and fuck our heads off. In the morning we called our friends to see how they are. Kate says they are both fine and had a great time last night -- just like the sixties all over again. We agreed and said that we should do it again next time we come to Florida. They said the invitation is always open. I think we're going to plan another trip down here next month.

— Henry, Boston

Are you for real?

Hi to the editor,

My name is Jackie and I just came across your magazine at a friend's house. I kinda liked it, but it was a little weird looking at older women in the nude -- because I'm one too. Older, that is. Can I assume that your reader's are older too? Because I love older men. They are usually more polite, and gentlemanly. And they'll buy me a nice dinner.

I just wanted to let your readers know that my name is Jackie and I live in Tuscon, Arizona. I'm 5'5" with curly brown hair. My measurements are 36D-24-36 and I'm of Mexican descent. I have big brown nipples on my tan breasts, and my shaved pussy

always seems to be wet, and I have a big (and suckable) clit. I have a nice plump ass with a cute little puckered hole that loves to be licked. I love men, especially going down on a big, or not so big, hard cock. I love big mushroomy heads on them, too. I like titty-fucking and having sex in every position imaginable, but I especially like it doggy style so I can get the full length of cock inside me. I'm also really good with balls because I know how much men like to have them pulled and licked.

If there is any man in Arizona that would like to treat a classy, pretty, 53 year-old lady to nice things, then would you please accept a letter from them and forward it to me? There is a picture of me enclosed. I'm the one in the low-cut red dress.

— Jackie, Tuscon

Dear Jackie, you leave us speechless. We had to read your letter a few times to be sure you said what you said.

You sound like a firecracker, but why would you be writing to us to meet men? It seems that with your outgoing "personality" exhibited in the letter, men would be flocking to your door. The photo you enclosed is really nice and you are as pretty and sexy as your letter suggests. While we are not a dating service or running an escort business, if a letter or two comes our way asking about you, we'll be sure to get back in touch. Until then, please stay as horny as you are. — Ed.

Hey guys,

I loved Candice in the last issue. You got one more hot photo to share?

— Bryan, Los Angeles

If you have something to say to us, then go write ahead. You can send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. Regina

Thirty years ago I was a hot showgirl in Las Vegas. I've tried to maintain the body I worked so hard for throughout the years. I hope it shows in the photographs.

I had boyfriends and I had girlfriends. We were hot stuff having our little dancer orgies after performances. I hope to write a book on the secret lives of showgirls one day, but until then here's a look at what you didn't see at the shows.

I was very flexible back then and everyone called me "Flex." I would stand and bend down so far I could get my head between my knees. Then one of my girlfriends would lick my pussy as I gave a blow job to one of the guys. We had a lot of fun back in those days.

Believe it or not, I can still do it and still like to have sex that way. There's a preview on the next page, but before you turn this one, why not call me and see if you would like to join us.

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

ROXY RULES!

Where in God's earth did you find Roxy? She is the cutest thing ever. What a great butt on that babe, and she's got the cutest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover.

the inside photos were just right. it's nice to see a cute girl like her not shoving dildos in her pussy. She showed me just enough to want more. Are we going to get more of Roxy? And when?

— Sammy, Cleveland

Hey Sammy, we show 'em as we get 'em. But seriously, Roxy is a real cutie. She was just as much fun to work with as the photos show. We are in the process of getting another pictorial on her, but you'll have to wait until 2010 as we all will.

— Ed

ROXY REDUX

I think I went to school with Roxy Reynolds. I

remember that cute toothy smile but her butt didn't seem that big and nice back then. How can I find out if she was my classmate? My bro says it ain't her, but I think it is. She was about 5' 7" and had small boobs and a short hairdo. But she could have grown into her chest and let her hair go. I'm looking at the yearbook now as I write you and I'm convinced it's her.

— Wesley, Brooklyn

Wesley, you know we can't tell you where she went to school, dude. What we can tell you is that she graduated at the top of her class, went on to a prestigious Eastern university, was given a Rhodes scholarship, modeled in Paris and Milan and plans to run for President in 2020. Hope that helps.

— Ed

ON TOP OF ESCALADE

Since you want to hear from guys like me, let me tell you what I did, man. I got this big black Escalade with some smashin rims on the outside and a smashin sound system on the inside, I dropped another 10G just for the sounds. Why? Because this is the type of shit that gets me the honeyz. All I have to do is cruise and they jump on in and cut loose.

So I'm leavin the club past midnite with these two smokin babes I just picked up. We be cruisin down Wilshire with the moon-roof open and one chick

sittin up on the roof with her legs danglin down. The other shortie starts to eat her out. I'm drivin tryin to keep in the lane as the two crazies are goin at it. The one on top leans back and lays down sayin how cool the streetlights look while the other is stickin fingers in that sweet cootchie. The shortie in the car is dropping her panties as she licks the other one and takes my right hand and puts it on her ass. As I squeeze her cheeks I almost drive into a parked car. Not wanting to fuck up my ride, I pull over around Wiltern and park it. The girls were so into it they didn't even know I stopped.

my huge dick. She starts to lick and gulp it down as I'm doing the roofie. Man she was good. I started fucking her mouth and she was taking every inch of it. Her head was pinned against the back of the seat as I was shoving my dick into it. I tell the chick on the roof to roll over so I can tongue fuck her asshole. She does that and with her legs dangling in the car I spread them and jam my long tongue into her butt crack until I find her butt hole. I'm massagin her butt as my tongue fucks her hole. I shove my thumb into her soaking cunt and give her a good

Now I can squeeze the bitch's ass without crashin. I move the seat back so I got room to maneuver and take both those cheeks in my hands. I squeeze em and she opens her legs up some more, still lickin the bitch on the roof. I push the inside chick off the roof bitch and start to lickin her myself. The inside bitch is unzipping me and takes out

finger-fuckin while inside girl is licking my balls. She's pulling my cock to get at them and sucks em like a Hoover. By now the roofie is screaming as she cums and I'm about to blow my load. She gaggin on my rod as I'm cummin and tries to pull it out. I hold the back of her head so she swallows cause I'm not gettin the seats messy.

— Malik, Los Angeles

A woman with long brown hair and bangs is posing for a photograph. She is topless, with her hands resting on her chest and hips. She is wearing black lace underwear and black lace garters. Aphro Dietie

My girlfriend came over the other day and here's what we did. She can really be off the hook!

→ The phone rang the other day and it was my girlfriend LaDonna. It was a sunny day and I was outside in the yard. LaDonna said she wanted to come over and I said sure. LaDonna and I are like sisters. We've known each other for more than twenty years; having gone through grade school and high school together. We dated some of the same boys and even fucked some of the same girls.

After about an hour she made it over and came out to the backyard – naked! I shouted that we were outside, but she said the fence was high enough that no one could see her. She was lighter skinned and had a rockin' body with long legs and a big butt. The pants she wore always accentuated it and she liked the attention it gave her. She spread a large towel on the ground next to my chair and laid down on her belly. Her lovely ass was bubbling up as she was taking in the sunshine.

About fifteen minutes later she sat up and asked why I was still wearing my swimsuit. Without a moment's hesitation, she got up over me and used her mouth to grab my thong and began to pull it down. She got it down to my knees and came back up with her tongue seeking my clit as I opened my legs to let her in. This wasn't the first time we got it on. We've been lovin' it up ever since we got out of high school and found out each other liked girls. We don't do it that often, but when we do, it's great.

LaDonna sure knows how to suck my pussy, I'll give her that. She ran her tongue all over my pussy mound, finding the slit every now and then and slipping her tongue down to tease my clit. I reached down and pulled my thong completely off and opened my legs wider for her. She opened my pussy lips and dove right into my hole with her fingers. The more I

squirmed, the harder she fingered me. Her tongue joined her hands and she licked all over my pink silky insides telling me how sweet I smelled and how great I tasted. Within minutes I was done and cumming all over her face.

She took my hands and pulled me down to the towel. She laid on her belly and got up on her knees exposing her beautiful bronze booty to the elements and me. I kneeled down behind her and spread open her cheeks. I could see her pretty little anus and smooth-shaven pussy lips. I started with her tight butt hole, licking all around it until I felt it relax and then I

stuck my tongue in and swirled to some more. Apparently she was expecting this because she tasted nice and creamy. I smelled her jasmine lotion and it turned me on some more. I slapped her cheeks as I tongued and fingered her butt hole.

I laid on my back under her pussy and pulled her hips down to my mouth. I opened her pussy lips and began to lick her clit like it was an all day sucker. I grabbed her clit with my lips and gently pulled it and then let go. She squirmed with pleasure and when I wasn't doing enough of it, she forced her pelvis harder down on me as if to say, suck it harder, bitch. I, of course, obliged.

→ LaDonna turned on her knees and pivoted around so we were sixty-nining. Her face was now buried in my pussy and her hands were cupped underneath my butt searching for my butt hole. She found it and quickly inserted a finger inside. I arched up at the sweet penetration and she went in deeper. I was furiously licking her clit and running my wet fingers up and down her silky crack, pausing every so often to stick one into her ass. Each time she gave out a faint moan and I would stick in another.

By now we were furiously finger-fucking each other. Mouths on clits, fingers in the ass. Each doing their part to bring us to climax together. Being on the bottom I arched up as I came and she pushed down on my face as she came. But this time she came with little surprise for me. She squirted!!! She had never done that before and it was HOT! I was so turned on by it I came again without her even touching me. Just the warm musky girl-jizz streaming down my face. After we finished, I asked her how she did that and she said she would show me. I'll let you know next time if I too learned how to squirt!

→ ...she pushed down on my face as she came. But this time there was a little surprise for me. She squirted!!! She had never done that before and it was HOT!

Dr. Sabrina returns with some encouraging words Edward's constant state of horniness.

Dear Doctor,

I'm writing today because I have a problem that I cannot seem to escape. I'm sixty-two years old, in great health and lead an active life. I am a widower for eight years and have not yet found the next Mrs. I do have a few lovely ladies that I have sex with on occasion so I'm relatively happy that way. My problem is that, in between my sexual episodes, I masturbate every day. And I do mean every day, and sometimes more than once.

I am a businessman and a 9-5 working day is no diversion. I will jack-off in my office, in the bathroom, and one time I got the urge so bad, I locked the cafeteria door and found a corner to do my thing. I always clean up and dispose of the result. A couple times I was almost caught and that was scary. I cannot afford to lose my job, but when the feeling hits, I cannot concentrate on anything else. I do not think sexy thoughts, look at porn or touch myself, but out of nowhere I get an erection that will not go away until it's relieved. One day, I tried ignoring it and sat in my office with a hard on for two hours. I had to go to a meeting and make a presentation standing up and did not want it to show, so just before the meeting, I jerked off and the presentation went off without a hitch.

I was never a big masturbator throughout my life. I assume I was pretty normal, doing it once or twice a week, even during my marriage. But these last couple years, my cock seems to have developed a mind of it's own and I am a slave to it. I have spoken to my doctor about it and we went back and checked the medication I've been taking and he says none of the drugs should cause this type of reaction. I had my testos-

terone level checked and while it's a bit above normal, it's not causing this.

My sex life is relatively normal. We do all the normal stuff, in normal positions, for a normal length of time, and it is normally satisfying, normally for both of us. Sometimes however, after the lady leaves I immediately have to masturbate myself again within an hour. I'm at a loss as to what to do. I hope you have some advice for me.

Edward, Phoenix

Dear Edward,

I thought about your situation at great length and, you know, I decided that I did not really find anything wrong with it. We tell younger folks that masturbation is perfectly healthy and a normal part of life. That does not mean that when we get older it becomes less healthy or any less normal. When we say marriage or having a girlfriend will end masturbating, that is rarely ever the case. Men and women need relief when the urge hits, not when it's convenient to have a partner around.

I assume that since you've confronted the frequency issue, you are always prepared to catch your cum and properly dispose of it. I assume you use tissue or the like to put the cum into, but be sure that you also have plastic zipper bags to put that tissue in when there is no place or time to flush it. Since you are around it so much, you may not be aware of the smell of cum so be sure that the smell of your actions is also minimized. Wash your hands after completion. or have some hand sanitizer lotion around. or spare your comrades of your touch.

I do empathize with your job situation. You do have to be really careful that it doesn't interfere with your job. The thought of ridicule or losing it altogether doesn't seem to be enough to have you stop it during office hours, but you should find some way to control it a little better. If you live close to your office, consider going home, doing it there and then go back to work. Don't ever confess to a workmate that you do this, or bring anyone into it with you. That's a recipe for disaster.

Good luck – and just enjoy.
